● New dark ride ● Crazy golf course  
● Roller coaster ● Dodgems ● Go karts

## MARVEL-LOUS

**M**ARVELS is a seven acre theme park that is situated on the cliff top overlooking the north bay of Scarborough.

Two chairlifts provide transportation systems to assist in getting up to the park. One runs between Marvels and the beach area not far from the Sea Life Centre. As this passes up and over the cliffs it provides spectacular views over the North Bay towards the castle. The other chairlift runs from a station on Burniston road close to Peasholm and next to the water park, up to Marvels.

Originally a Zoo and Marine Park, Marvels has gradually changed into a fun theme park with rides, games, cafe, shops and attractions for the whole family.

The current emphasis is on providing more leisure attractions for when the weather is not so good.

In 1994 a larger indoor children's play area was introduced. This has been further improved for 1995.

The star attraction for 1995, however, is the exciting new Dark Ride set to open at Easter.

It is believed that beneath the cells of this old house is a sealed up entrance to the lost underworld. Tales were told of dwarf-like beings who roamed, of a fearsome creature who lived deep within the bowels of the earth protecting hidden treasures. The only way out was through a deadly crypt. But of course these were only tales... "The Lost Underworld" is an exciting

ride designed to activate most of your senses and will provide Marvels with a superb new facility. A new Crazy Golf course is also set to open from the Spring Bank holiday. This is aimed at the whole family.

There is no admission charge to the park itself. Tickets can be purchased for individual rides or various special tickets are available grouping several rides or attractions. There are, of course, many rides and attractions for children of all ages.

Rides for the children include vintage cars, motorcycles, mini dodgems, mini motorbikes, tea cups and saucers, go goator, face painting, astronaut and megagun etc. Older children will be attracted to the four-wheeler dune bikes and the water dodgems. There are of course the old favourites like the roller coaster, dodgems and the go karts.

There is the spectacular Dinosaur Adventure Park with life size dinosaurs to fascinate the children. Included is a play area set inside an adventure fort. There are picnic areas available. There is a self service cafe and two further food outlets for snacks and sweets and ice cream.

Every Sunday night in high season there is a free firework display as soon as it gets dark. Bonfire's are also held on firework nights. The park opens on Easter Saturday for the Easter week then closes again until the Spring Bank holiday. It then stays open until into September.
